

Trunk Show Alert: Fur Chic with Glamourpuss NYC

Tired of the same **Burberry** scarf or the outdated Pashmina option of the day from the vendor on 5th and 54th? Want to stand out with the chicest fur accessories of the season? Then stop by the **Calypso** store (Madison Avenue location) Friday from 12-4p to view the launch of **Glamourpuss NYC** and meet the designers, **Gigi Mortimer** and **Courtney Moss**.

Already featured this month in **Vogue** and **Women's Wear Daily**, this new line will have two beautiful pieces for the Fall 2009 – a stretch fur funnel (available in an array of colors from black to neon orange) and a water resistant, down-filled leather and fur mitten (available in black and winter white). These accessories are stylish, functional, and the perfect accent to any outfit. Glamorize your **Theory** cashmere sweater dress, ski outfit, or even your **Juicy** track pants as you leave **Equinox**.

See more information on the creation of the line soon.

Details of the event as follows:

Where: Calypso, 815 Madison Avenue at 68th Street

When: Friday, October 30th, 12-4p
